Test Report

Sample: Far-Infrared Anion Non-woven Fabrics
Specification: /
Organization Inspected: UAB AAAA Europe Distribution
Type of Inspection: Entrusting

Textile Industry Quality Supervision Center for
Chemical Fiber Products

Testing / Calibration Laboratory of Shanghai
Textile Industry Institute of Technical Supervision

TEST REPORT

Sample	Far-Infrared Anion Non-woven Fabrics		Type of Inspection	Entrusting
Specification		/	Brand	gentle day
Organization Inspected	Name	UAB AAAA Europe Distribution		
	Address	/	Tel	/
Manufacturer		UAB AAAA Europe Distribution		
Number of Sample(s) Entrusted		1 pc	Date of entrusted Swatch Received	2013-04-25
No. of Lot		/		
Description of the Inspection		The sample(s) are not abnormality. Skin non-woven fabrics		
Tested or/and inspected according to:		SFJJ-QWX25-2006 《Inspection regulation of anion concentration》		
Date of Inspection		2013-04-25 - 2013-04-28		
Result		See summary page for details.  (Seal) (Signed date:) 2013-05-03		

Note: 1. The test result(s) don't include the estimated value of the uncertainty.
 2. The determination on conformance in this report is only based on the test results regardless of the uncertainty of the results.
